Don't tell me the receiver of Outstanding Contribution Award

But because of me, people rampaged.

There's even an assasin.

This used to be a peaceful town.

Right now, his heart is heating up.
It's almost time to make my move.
But soon, he'll be tasting the cold steel
of the tip of our blade.

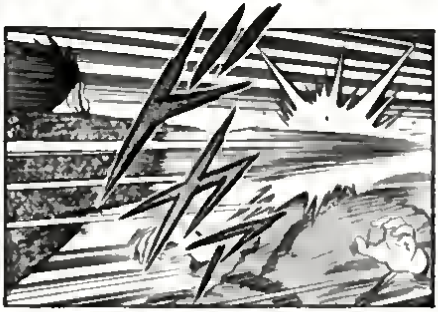
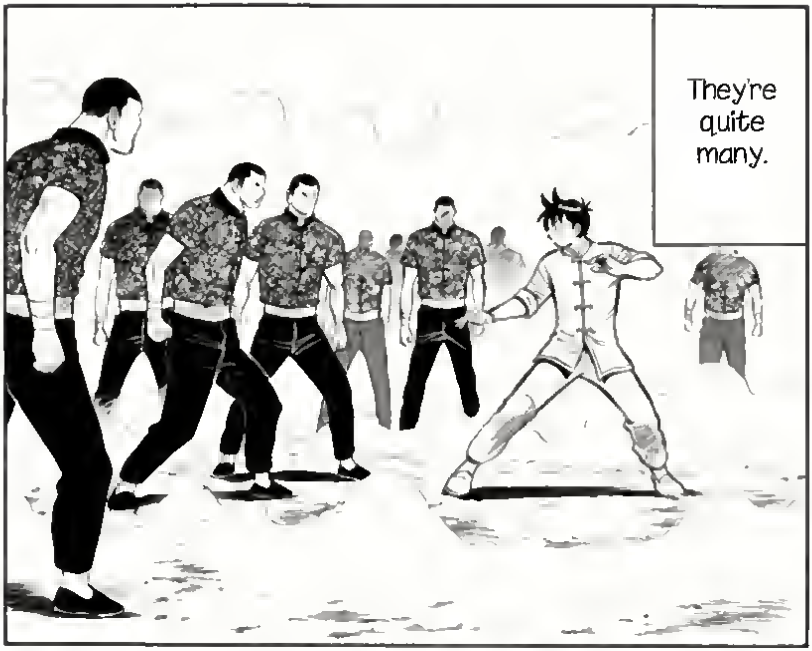
Found him! Chinmi is right here!

Don't let him get away!
Alright, I'm coming!

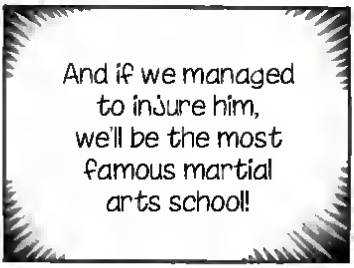
Who are these men in black clothes?





They're quite many.

Just the fact that we scared Chinmi is good for us.



And if we managed to injure him, we'll be the most famous martial arts school!

Out of my way!

You lot!
Time to test that Outstanding Contribution Awards boy!
Destroy Dairin Temple Martial Arts!
Yes, sir!
Get him!
No mercy!
Kill him?

There's someone here
who also after my life?

Gah!

Buhh!

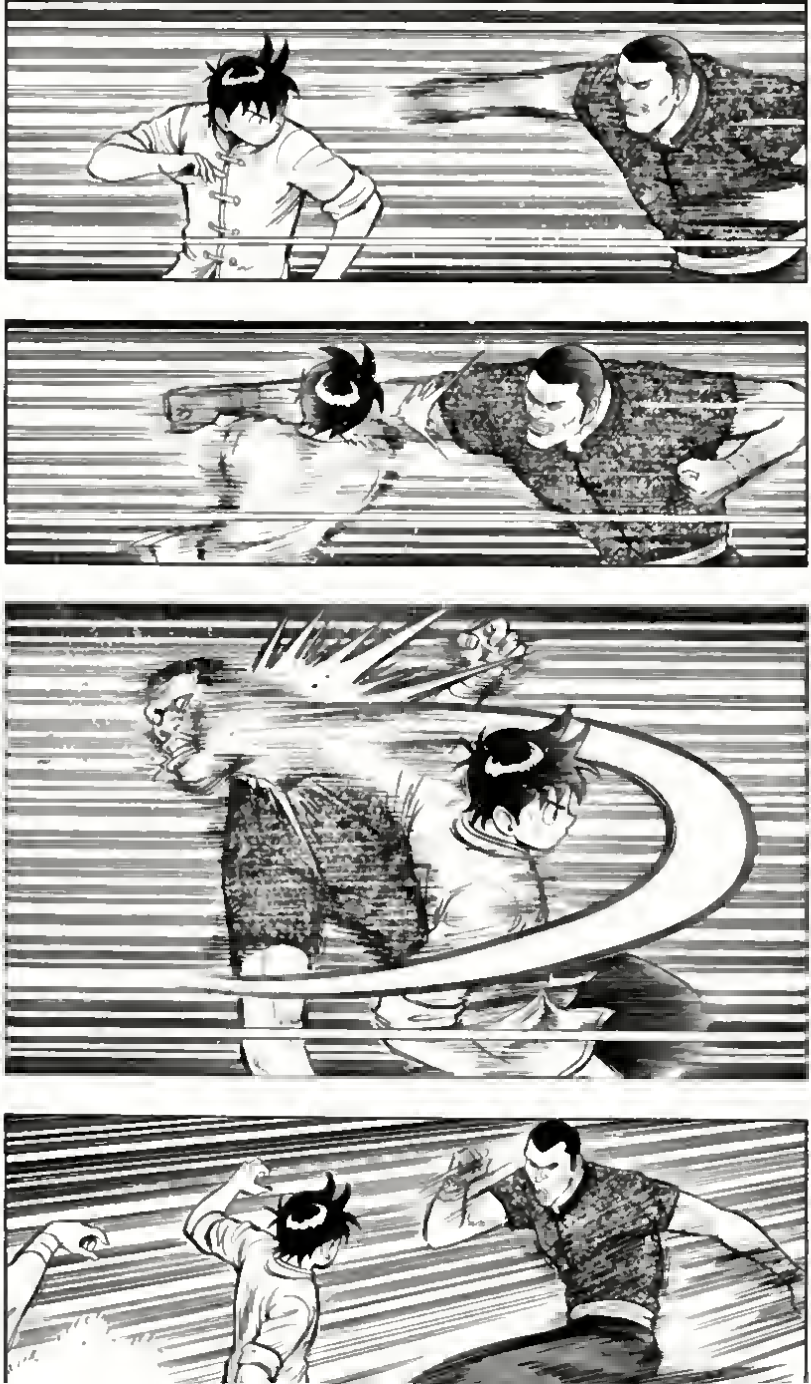
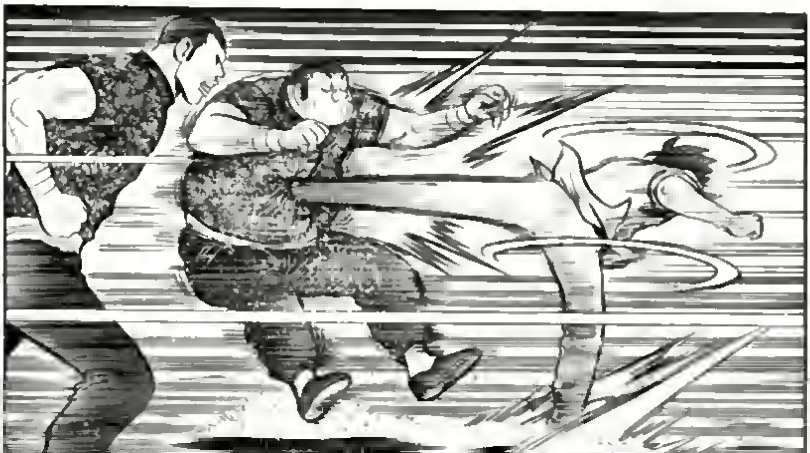
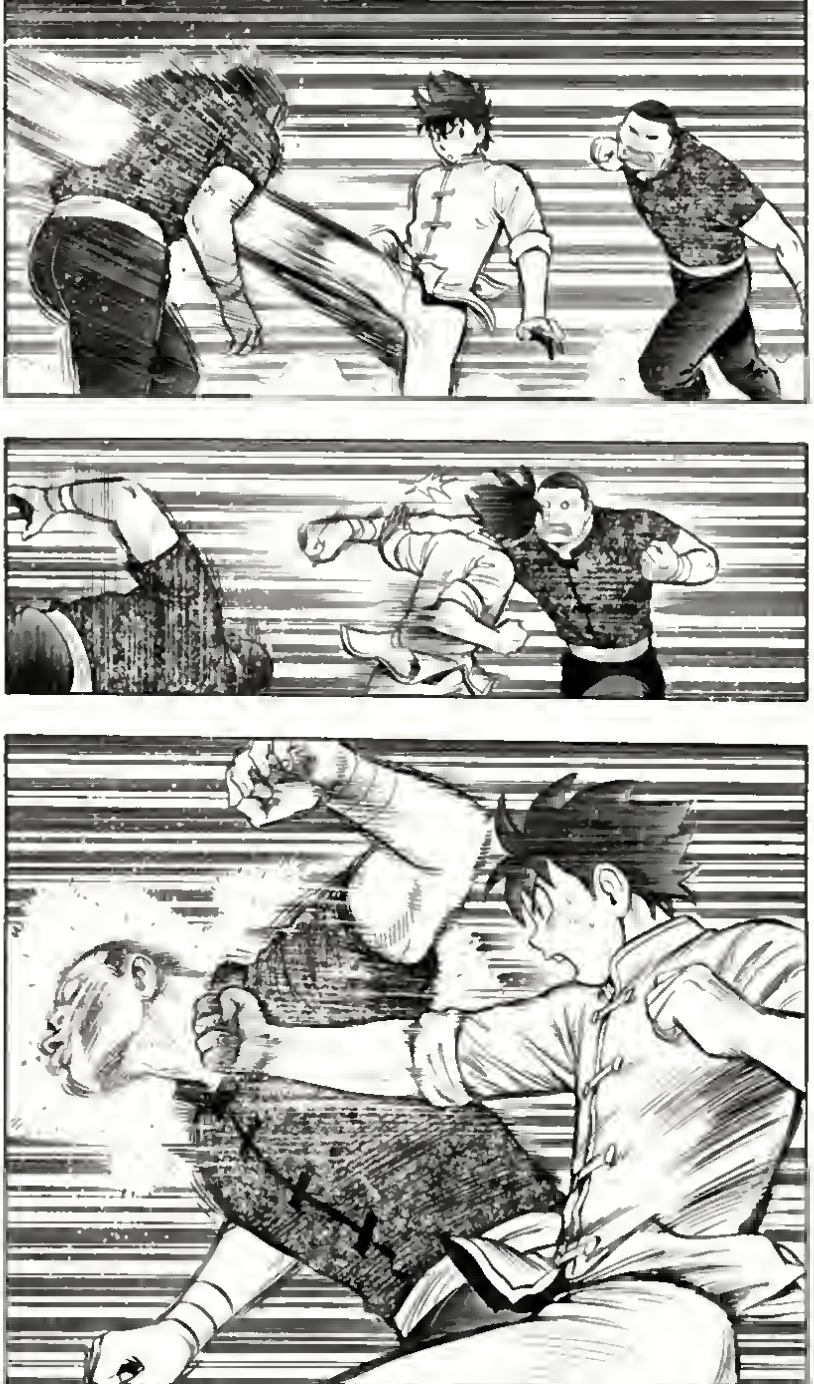
Because of me,
Uncle and everyone in
town are in trouble.
I cannot let this uproar
goes any further.

I'm going to end this here.
If you are after my life,
Come and get me!

Don't be hasty.
Chinmi,
Standing over there is not a good idea.
I cannot let my eyes off Jiban.
It's difficult to calm down the situation before back up from Dairin Temple comes.
Hmm ....
Don't get eaten by small fry before the big fish comes out.
Chinmi is standing in the middle of a brawl.
Is he trying to lure them out?







I know!
Back Master Chinmi up!
Gunte! There's a group in blacks.
Remember the name, Chinmi!
Now, It's time for The Great Juken!
to Batsuzan Geiten School!
Dairin Temple Martial Arts is nothing
